POLICY TITLE: Billing Collections

SCOPE: Organization Wide

POLICY: This policy applies to Allegan General Hospital (AGH) together with the Financial Assistance Policy, is intended to meet the requirements of applicable federal, state, and local laws, including, without limitation, section 501(r) of the Internal Revenue Code of 1986, as amended, and the regulations thereunder. This policy establishes the actions that may be taken in the event of nonpayment for medical care provided by AGH including but not limited to extraordinary collection actions. The guiding principles behind this policy are to treat all patients and individual(s)’s responsible, equally with dignity and respect and to ensure appropriate billing and collection procedures are uniformly followed and to ensure that reasonable efforts are made to determine whether the individual(s) responsible for payment of all or a portion of a patient account is eligible for assistance under the Financial Assistance Policy (FAP).

PROCEDURE:
1. Subject to compliance with the provisions of this policy, AGH may take any and all legal actions, including Extraordinary Collection Actions (ECA), to obtain payment for medical services provided.
2. AGH will not engage in ECA, either directly or by any debt collection agency or other party to which the hospital has referred the patient’s debt, before reasonable efforts are made to determine whether a Responsible Individual(s) is eligible for assistance under the FAP.
3. All patients will be offered a Plain Language Summary and an application form for financial assistance under the FAP as part of the discharge or intake process from a hospital.
4. At least three separate statements for collection of Self-Pay Accounts shall be mailed or emailed to the last known address of each Responsible Individual(s); provided, however, that no additional statements need be sent after a Responsible Individual(s) submits a complete application for financial assistance under the FAP or has paid-in-full. At least 60 days shall have elapsed between the first and last of the required three mailings. It is the Responsible Individual(s) obligation to provide a correct mailing address at the time of service or upon moving. If an account does not have a valid address, the determination for "Reasonable Effort" will have been made. All Single Patient Account statements of Self-Pay Accounts will include but not limited to:
   a. An accurate summary of the hospital services covered by the statement;
   b. The charges for such services;
   c. The amount required to be paid by the Responsible Individual(s) (or, if such amount is not known, a good faith estimate of such amount as of the date of the initial statement); and
   d. A conspicuous written notice that notifies and informs the Responsible Individual(s) about the availability of Financial Assistance under the hospital FAP including the telephone number of the department and direct website address where copies of documents may be obtained.
5. At least one of the statements mailed or emailed will include written notice that informs the Responsible Individual(s) about the ECAs that are intended to be taken if the

Responsible Individual(s) does not apply for financial assistance under the FAP or pay the amount due by the billing deadline. Such statement must be provided to the Responsible Individual(s) at least 30 days before the deadline specified in the statement. A Plain Language Summary will accompany this statement. It is the Responsible Individual(s) obligation to provide a correct mailing address at the time of service or upon moving. If an account does not have a valid address, the determination for “Reasonable Effort” will have been made.

6. Responsible Individual(s) propensity to pay will be scored based on that assessment of the Responsible Individual(s) likelihood to pay and dollar amount of the Self-Pay account.

7. Prior to initiation of any ECA, an oral attempt will be made to contact Responsible Individual(s) by telephone at the last known telephone number, if any, at least once during the series of mailed or emailed statements if the account remains unpaid. During all conversations, the patient or Responsible Individual(s) will be informed about the financial assistance that may be available under the FAP.

8. ECA may be commenced as follows:
   a. If any Responsible Individual(s) fail to apply for financial assistance under the FAP by 120 days after the first post discharge statement, and the Responsible Parties have received a statement with a Billing Deadline described in Number 5 above, then AGH or collection agency may initiate ECA.
   b. If any Responsible Individual(s) submits an incomplete application for financial assistance under the FAP prior to the Application Deadline, then ECA may not be initiated until after each of the following steps has been completed:
      i. PFS provides the Responsible Individual(s) with a written notice that describes the additional information or documentation required under the FAP in order to complete the application for financial assistance, which notice will include a copy of the Plain Language Summary.
      ii. PFS provides the Responsible Individual(s) with at least 30 days’ prior written notice of the ECA that AGH or collection agency may initiate against the Responsible Individual(s) if the FAP application is not completed or payment is not made; provided, however, that the Completion Deadline for payment may not be set prior to 120 days after the first post discharge statement.
      iii. If the Responsible Individual(s) who has submitted the incomplete application completes the application for financial assistance, and PFS determines definitively that the Responsible Individual(s) is ineligible for any financial assistance under the FAP, AGH will inform the Responsible Individual(s) in writing the denial and include a 30 days’ prior written notice of the ECA that AGH or collection agency may initiate against the Responsible Individual(s); provided, however, that the Billing Deadline may not be set prior to 120 days after the first post discharge statement.
      iv. If the Responsible Individual(s) who has submitted the incomplete
application fails to complete the application by the Completion Deadline set in the notice provided pursuant to Number 8(b)(ii) above, then ECA may be initiated.

v. If an application, complete or incomplete, for financial assistance under the FAP is submitted by a Responsible Individual(s), at any time prior to the Application Deadline, AGH will suspend ECA while such financial assistance application is pending.

9. After the commencement of ECA is permitted under this policy, collection agencies shall be authorized to report unpaid accounts to credit agencies, and to file judicial or legal action, garnishment, obtain judgment liens and execute upon such judgment liens using lawful means of collection; provided, however, that prior approval of PFS shall be required before initial lawsuits may be initiated. AGH and external collection agencies may also take any and all legal other actions including but not limited to telephone calls, emails, texts, mailing notices, and skip tracing to obtain payment for medical services provided.

DEFINITION:

Application Period - the period during which AGH must accept and process an application for financial assistance under the FAP. The Application Period begins on the date the care is provided and ends on the 240th day after AGH provides the first post discharge billing statement.

Billing Deadline - the date after which AGH or collection agency may initiate an Extraordinary Collection Action (ECA) against a responsible Individual(s) who has failed to submit an application for financial assistance under the FAP. The Billing Deadline must be specified in a written notice to the Responsible Individual(s) provided at least 30 days prior to such deadline, but no earlier than 120 days after the first post discharge statement.

Completion Deadline - the date after which AGH or our collection agency may initiate or resume an ECA against an individual(s) who has submitted an incomplete FAP if that Individual(s) has not provided the missing information and/or documentation necessary to complete the application or denied application. The Completion Deadline must be specified in a written notice and must be no earlier than the later of (1) 30 days after AGH provides the Individual(s) with this notice; or (2) the last day of the Application Period.

Extraordinary Collection Action (ECA) - any action against an Individual(s) responsible for a bill related to obtaining payment of a Self-Pay Account that requires a legal or judicial process or reporting adverse information about the Responsible Individual(s) to consumer credit reporting agencies/credit bureaus. ECAs do not include transferring of a Self-Pay Account to another party for purposes of collection without the use of any ECA.

Financial Assistance Eligible - Responsible Individual(s) eligible for financial assistance under the FAP without regard to whether the Individual(s) has applied for assistance.
